

SECRET

Item for the Daily Log - 2 May 1953

25X1A

✓ [] Chief of the [] staff, stated that a Russian automobile has briefly been made available to the Pentagon with the assistance of Mr. Funderburk of the Office of Senator Johnston of South Carolina. With the approval of Mr. Carey, I made arrangements with Mr. Funderburk which resulted in making this car available to CIA for a two day study.
